Big Picture: Optometry Boards

"Big Picture Software's web-based solution empowered our organization to eliminate redundancies and better serve our licensees. Implementation of the Big Picture software has streamlined license and registration renewals, our investigation and disciplinary processes, payment collection, and processing. We really appreciate having the functionality we need and the ease of use the software offers. The staff and I are extremely satisfied with this robust software package and the level of support we have received."

Fully integrated web-based licensing and regulatory system will reduce processing time, provide transparency, eliminate manual processes, and increase efficiency.
